Across School Well-being Leader goes Secondary...

Highly experienced Across School Teacher, June Crawford, who has the pou around well-being, has been out in our two Secondary School's this year to support **Strategic Goal Area 3**: Supporting of the diverse needs of learners. She has been fulfilling part of the new 2024-2026 Kāhui Ako Strategic Plan through providing focused student and teacher support. Through increasing development of resources for schools to be supported in areas of Learning Support we feel confident our diverse needs students are getting concentrated and intensive support from June, alongside their impressive SENCO and Enhanced Learning teams.

Introducing....Ashley Blake: Karamū High

Kia ora koutou, My name is Ashley Blake and I am 1 of 5 WSL at Karamū High School. My role as Ngā Pou Kaiārahi allows me to work closely with our Māori and Pasifika students to ensure they are in a position to achieve to their full potential. As an ex student of Karamū from 2009-2013, I enjoy being able to give back to the kura that moulded me in to the person I am now. You will often find me in the gym teaching Physical Education from year 9-11 or in the classroom teaching junior health. I have a real passion for helping students discover their talents and strengths, whatever it may be. In my own time, I enjoy being creative through arts and sewing as well as playing social netball. Being able to collaborate with other teachers through our Kāhui Ako has been awesome for not only my development as a teacher but also to help our students get the best out of their schooling life.

'Spot Light On'..... ST JOHN'S COLLEGE

St. John's College was founded in 1941 by the Marist Fathers and is the only Catholic Boys' School in Hawke's Bay. They pride themselves on knowing students well, understanding that the relationships between teachers and students are foundational in developing confident and successful learners. To assist this aim, they have a Vertical House System which allows families and students to journey through their five years at St. John's with the same teachers as House Leader and Learning Mentor. Much is learnt about the needs of students through this partnership between home and school and parents are encouraged to participate in their sons' learning at every opportunity. As a vibrant multicultural learning community, St. John's provides students with a range of subject offerings and pathways. The College's holistic vision extends to student achievement and support in Pastoral Care, Academia, Sport, Arts and Culture.

Check out this awesome article from **St Joesphs Primary** from the Education Gazette on their use of CRT time... <https://gazette.education.govt.nz/articles/classroom-release-time-supports-connection-to-tikanga-and-te-reo-maori/>

Kāhui Ako AP/DP Breakfast—Thursday 4 July 7.15am

Lets be fair we know the BIG mahi in our schools is done by the AP/DPs and therefore we would like to shout coffee and breakfast, alongside giving them a Kāhui Ako update at No. 5 Café on *Thursday 4 July* from 7.15am. Register with Aaron at principal@stjos.school.nz

Ko ngā pae tawhiti,
whaia kia tata
Ko ngā pae tata,
whakamaua kia tina

The potential for tomorrow
Depends on what we do today
